Chicago Hope Academy

Is a College and Life Preparatory School

Dedicated to Challenging and Nurturing the Whole Person — Body, Mind, and Spirit — to the Glory

Located in Chicago's Near West Side (2 Miles from Downtown)
Hope incorporates a biblical worldview in each of our classes. We prepare our students for college and life through excellent, rigorous, and relevant classes. We emphasize public speaking and argumentative writing throughout our curriculum. In addition to their core classes, students have Study Hall and can select from a variety of unique Electives each semester.

The Triangle Philosophy
The Academy will work to develop the whole person—mind, body, and spirit—to the glory of God.

Christ-Centered Education
The Bible is taught as a core subject and is integrated into every course in the curriculum, emphasizing the authority of God’s Word.

Family Focus
Hope’s investment reaches beyond the student. We strongly encourage family involvement in each child’s education. Parents can monitor their student’s grades online. Our Parent Support Group is very active in school activities.

A Staff of Leaders
Our staff of passionate, innovative teachers are gifted encouragers/mentors. They invest in the lives of their students and prioritize making time before and after school for tutoring.

Diversity
The Hope student body is ethnically, economically, and geographically diverse. Our students come from all over Chicago, the surrounding suburbs, and we have a growing population of International Students in attendance at Hope. Our international students have come from China, Brazil, Germany, El Salvador, and Korea.

Discipleship Groups
Each teacher is assigned a small group of students to disciple and mentor throughout the year. Every day these groups meet for a time of devotions and sharing. Every Friday the students attend a relevant and thought-provoking chapel led by community leaders.

Missions Trip
Every spring the senior class travels to Mexico to build homes for local families. It is a truly transformative experience for our students as they work alongside the families that will live in the homes they are building.
Chicago Hope provides its competitive athletic teams with elite indoor and outdoor facilities. Our sports teams have won multiple Regional Championships and many of our athletes play at the collegiate level.

Parents and students have a unique option in education: a purpose-driven school. Chicago Hope offers a college and life preparatory education that is affordable, excellent, and faith-based. While we are open to all students, our staff and curriculum are unapologetically Christian. Our facilities are excellent and our faculty and staff are graduates of top universities. We expect the same excellence from our students.
