

# HOPE VOLUNTEER FORM

While money is crucial to the growth of our school, donating your time and talent is equally as valuable. Hope needs volunteer time and talent to help with things inside the school as well at all of our events. Please let us know how you can help the Hope community by completing the below form. Friends of Hope is the parent fundraising and community building arm of the school. We offer a variety of ways you can participate based on your family's interest and availability. We cannot do this alone!
